PIIC's Executive Director, Ellen Eisenberg, facilitating a session during the April 2010 PIIC Professional Learning Opportunity

More Responses...How Do You Personalize Your Work as a Coach?

Identify instructional strategies at the beginning

Use your "friends" to practice your coaching on

Start small; do 1 thing at a time

Utilize Professional Learning Communities to share data

Relate to the teachers with whom you work on a personal level

Part-time coaches can open the doors to their own classrooms to model engagement strategies
